## Healing duvet set

**Introducing the CHAKRA healing therapy duvet set. Firstly, this is not just a pretty, attractive, unusual and inspiring duvet set...although it is that too!**

**We all have energy centres called Chakras which are spinning spheres of light. If the Chakras become blocked you can feel physically, emotionally and spiritually out of balance.**

**As you sleep and drift into sub-consciousness, you become more open to the vibrations of the earth's energies which means it is a good time to heal, rest and re-balance.**

**The Chakra duvet set is designed specifically so that the Chakra colours are aligned with your chakras to re-balance you as you sleep!**

**This will ensure that you have a restful , peaceful night's sleep and you wake up feeling recharged, re-energised, healthy and happy.**
